Circle the Cities With Love  
is a non-partisan, no-issue event.

### What:

**Our nation has just endured one of the most divisive and hate-filled election seasons in our history.**

**We need to begin anew and STAND FOR LOVE!**

We invite you to join with others a special collaborative event taking place on **Sunday, February 19, 2017, from 2:00-3:00 pm.**

You may recall the first Circle the City With Love event held back in July in Cleveland the day before the Republican National Convention began. That event was an enormous success and since then, many people have indicated a need for a similar event surrounding the recent election.

Because of this strong desire, and with the same intent to host a non-partisan, no-issue witness for love and peace, Circle the Cities With Love was born.

The event will be similar to the first in that we are asking folks to gather in silent witness to embody the power of love that brings healing, peace and justice to our cities, our country and our world. On January 15th many events were organized in different locations across the country on the same day and at the same time. Now, Sunday February 19th is our turn.
